1. A large underground munitions depot serving the units of the Ternovo garrison is located on Kartal Mountain.
2. Twelve underground munitions depots are under construction four kilometers east of the village of Strazhitsa. The projects are surrounded by barbed wire and manned by a guard. Construction has not been completed, but carloads of munitions are already arriving at the Strazhitsa railroad station and being dispatched by truck to the munitions depots.

Comment: Strazhitsa is located on the Ternovo-Varna railroad, 30 kilometers northwest of Gorna Orehovitsa.
